

# SENDCAA Fall Conference

**October 28<sup>th</sup>, 2017, Saturday**

Dakota Medical Foundation

4141 28<sup>th</sup> Ave S

Fargo ND

Four free hours of Growing Futures approved training

**7 a.m. -8 a.m. Registration and Breakfast provided**

**8 a.m.-9:30 a.m. Common Health and Safety Hazards in Child Care**

Sarah Myers: Sarah is a RN and a Child Care Health Consultant with Child Care Aware

Sarah will give an overview of what to look for when identifying health and safety hazards in child care, as well as give ways to help providers create safer environments for children.

**9:30 a.m.-11 a.m. Confident Movers**

Nate Hendrickson: Nate is the Special Needs Director at TNT Kid's fitness and gymnastics.

Nate will connect the evolution of movement from infancy to preschool age children. Attendees will learn how to use movement to develop the physical, cognitive and social ability of the children they serve.

**11 a.m.-12 p.m. Practical Ways Providers Can Help Breastfeeding Moms**

Michelle Draxten: Michelle is the Public Health Nutritionist for Cass County

Michelle will focus on the importance of breastfeeding and the positive benefits the childcare provider plays in successful breastfeeding. The common feeding behaviors and practices for breastfed infants will also be discussed.
